The CITY OF RICHWOOD water system PWS ID 0200035 has violated the monitoring/reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination.

This/These violation(s) occurred in the monitoring period(s) 01/01/2019 through 03/31/2019

We are taking the following actions to address this issue:

City of Richwood has responded to the violation by reporting the first quarter disinfection data to TCEQ.

If you have any questions regarding this matter, please contact Clif Custer at (979)265-2082.
